WHAT DOES A.A. NOT DO?:	0.00 - 0.001 101
2020	
A.A. does not (1) solicit members or try to persuade anyone to join A.A.	;

(2) keep attendance records or case histories; (3) engage in or sponsor research; (4) make medical diagnosis or dispense medicines or psychiatric advice; (5) provide drying out or nursing services or sponsor halfway houses; (6) affiliate with any outside agency, although groups and service offices often cooperate with them; (7) offer religious services; (8) provide housing, food, jobs, clothing, money or other social services; (9) provide domestic or vocational counseling; (10) provide letters of reference to parole boards, lawyers, court officials or social agencies; (11) accept any money for it's services or any contributions from non A.A. sources.

REFERRALS FROM COURT AND TREATMENT FACILITIES:

today numerous A.A. members come to us from court programs and treatment facilities. Some arrive voluntarily, some do not. A.A. does not discriminate against any prospective member. Who made the referral to A.A. is not what interests us — it is the problem drinker who elicits our concern.
