### Daily Choice - The Beginning

Five people wanted something different. One person found a church and a few others showed up to set up a couple of tables and chairs. We sat around that morning, what now? There were a few years between us, and it was decided to meet 7 days a week, 365 days a year...the same amount of days we drank.

One day at a time and AA books were all important, a selection of books were decided upon and a rotation of readings.
